- a. the Vice-Chancellor (or nominee); and
- b. the Executive Director, Student Services and Communications (or nominee); and

8.1 The scholarship must be taken up in the year following the year of application.

8.2 The scholarship is tenable for full-time enrolment in the first year of a programme for an undergraduate degree at the University.

8.3 The scholarship is co-tenable with any other award unless the conditions of the other award preclude this.

8.4 In the event where a recipient's enrolment in the year of tenure no longer meets the conditions specified in clause 8.2, the scholarship is withdrawn and any paid funds may be recovered.

8.5 Continuation of a scholarship is conditional on satisfactory academic engagement⁷ and adherence to the University's statutes and regulations.

9. Background information

The University established the scholarship in 2020. It partly replaces the UC International First Year Scholarship, which the University established in 2012.

Notes

¹ If, during the tenure of a scholarship, a recipient's immigration status changes so that they are no longer a full-fee-paying international student and thereby obtain a partial refund of academic fees from the University, the scholarship is withdrawn, and any scholarship money paid since the status change was recorded at the University is refunded to the University.

² A University Entrance-equivalent qualification is one that is deemed, by the University, to be appropriate to permit student admission (with equivalent standing) to the University.

³ Candidates who are on a gap year and who met the scholarship's conditions in the year before the year of application are eligible. For the University's definition of *gap year* with regard to scholarships see <http://www.canterbury.ac.nz/get-started/scholarships/glossary-of-terms/>.

⁴ International students who expect to gain university entrance via NCEA do not need to apply for admission. However, they do need to apply to enrol. Go to <http://www.canterbury.ac.nz/enrol/?s=home> for information on how to enrol.

⁵ Participation in STAR courses, community education courses offered by tertiary institutions, orientation or general interest programmes run by tertiary institutions for secondary school students, or programmes designed to prepare a student for entry into tertiary education (i.e. foundation programmes) does not preclude application for the UC International First Year Scholarship.
